## APPLICATION

星空房 6 大特点：让您选择的理由

# 产品细节

PRODUCT DETAILS

**Beach Seaside Resort**  
Applications for seaside visitor accommodation, resort parks

**Meadows, snow, forests**  
Applications for meadows, snow, forests

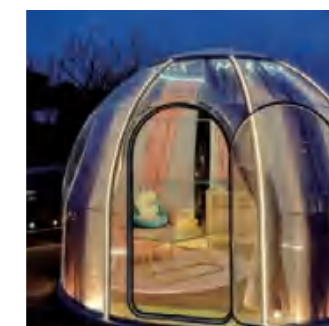

**Cafe Lounge Bistro**  
Applications for casual Coffee gatherings

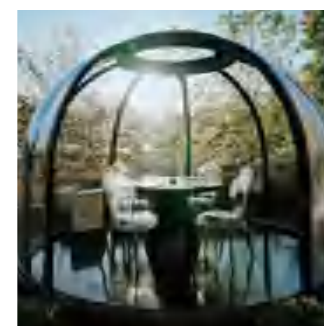

**Home yard, garden park**  
Applications for family dinners sunbathing

**DETAILS 01**  
Stylish appearance  
360 degree transparent view

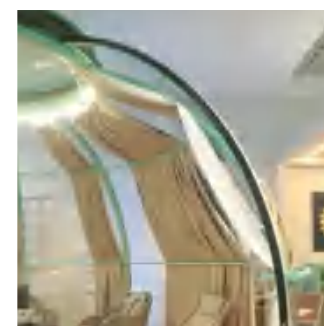

**DETAILS 02**  
Equipped with LED ambient lighting  
More than 200 ambient lighting adjustments.

**DETAILS 03**  
Adopting quality materials, strong impact resistance  
Flame retardant, not easy to aging and fading

**DETAILS 04**  
Panoramic Intelligent Lifting Sunroof  
Scientific design, creating an intelligent and comfortable experience

**DETAILS 05**  
Good plasticity,transparent,light weight and high strength  
Easy to dismantle and assemble

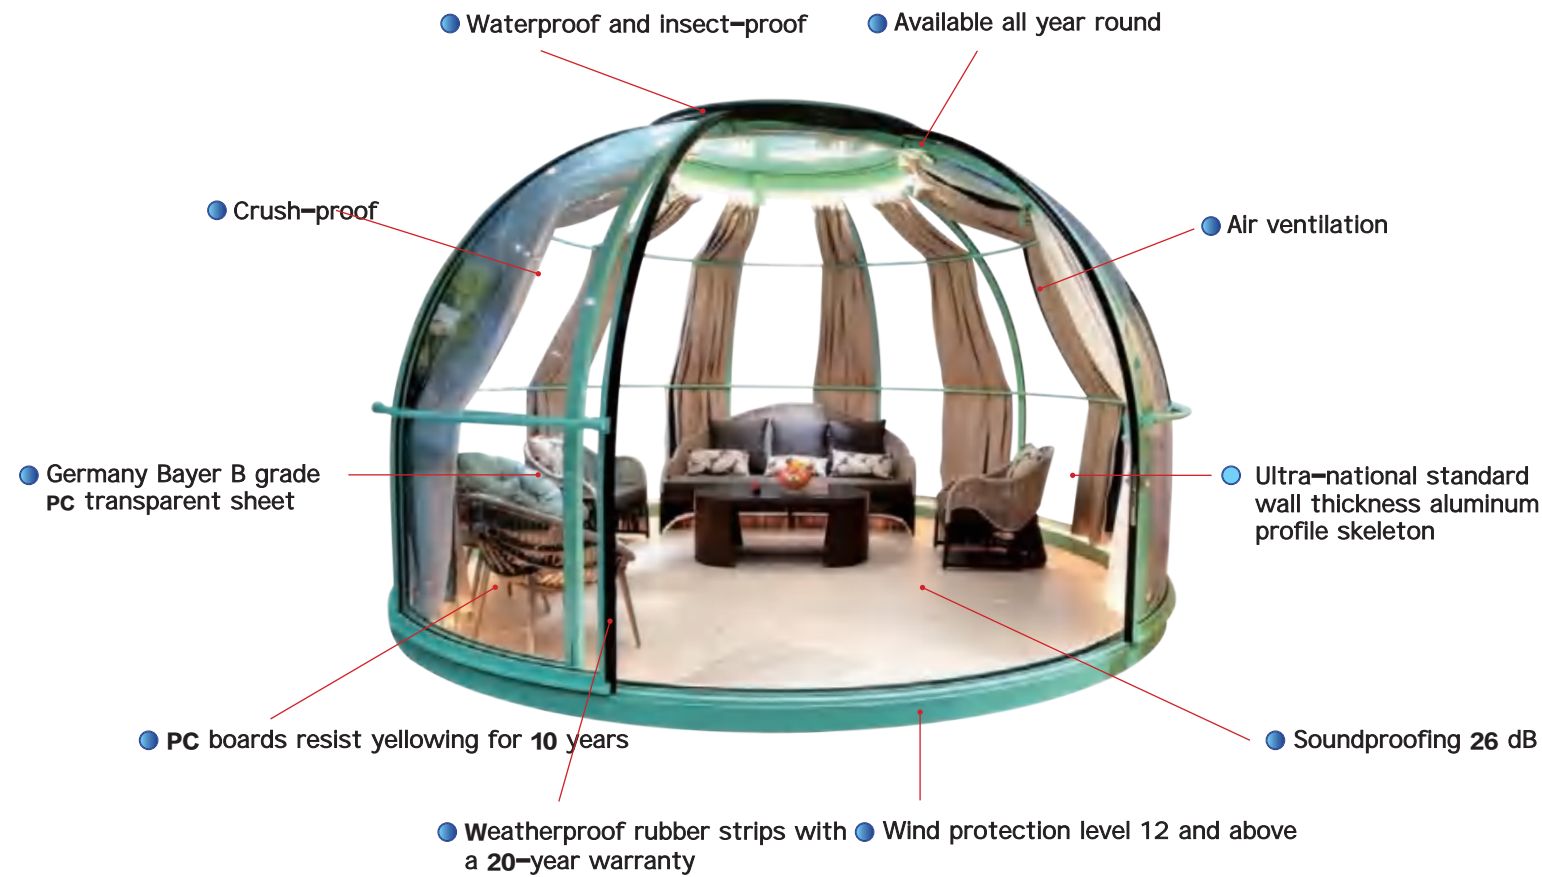

**DETAILS 06**  
Motorised curtains privacy

QUALITY OF WORKMANSHIP  
CRAFTSMANSHIP

Fully transparent immersive  
outdoor experience  
Enjoy the view from every angle

Adopting high polymer pc endurance board as the main material

Ultra-national standard wall thickness aluminium  
profile skeleton, 20-year rubber strip warranty,  
excellent airtightness  
Moulded thermoforming, B-class fireproof PC  
Germany Bayer sheet.

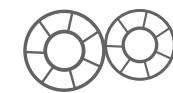

QATAR WORLD CUP STAR CHAMBER SOURCE PROVIDER

Any size can be spliced and combined, internal communication, and diversified space layout. Meet a variety of application scenarios.

**FREE SPLICING**  
ANY COMBINATION

Free splicing, any combination

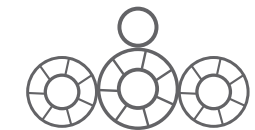

SEAMLESS SPLICING, WATER PROOF AND RAINPROOF

ONE-BEDROOM  
DESIGN

ONE-BEDROOM,  
ONE-BATHROOM DESIGN

TWO-BEDROOM,  
ONE-BATHROOM DESIGN
